

UNITED WAY COMMUNITY FUND - CARLETON COUNTY

United Way
Central N.B.

The **Community Fund** is the most powerful way to invest in your community. When you contribute, United Way uses **your money** to finance the programs needed in **your area**. You are helping children, youth, families, newcomers, individuals living with disabilities, and seniors in your area receive the services that are so invaluable in their daily lives. The United Way Community Fund directly supports the following essential community services in your area:

Neil Squire empowers Canadians with disabilities with the right tools to participate in work, education, and in everyday activities.

CNIB provides support, information, and training for children, youth, and families living with vision loss so they are better prepared for the transition to post-secondary education and future employment.

Chrysalis House provides a transitional living program for youth aged 16-19 who are experiencing homelessness or at risk of homelessness.

Ability NB helps individuals living with a mobility disability and their families through one-on-one rehabilitation counselling and transition planning.

The Family Support Service helps self-advocates and families of individuals with an intellectual or developmental disability navigate the complex government and community agency systems.

CHIMO helpline provides a skilled level of crisis and suicide intervention, referrals, and vital information in a caring, confidential manner to residents of New Brunswick.

The Home Build Program ensures more families will have a home of their own that is safe, decent, energy-efficient, and affordable.

Making Waves is a successful and evidence-based healthy relationship program that allows indigenous youth to educate and engage their peers on healthy relationships and relationship violence prevention.

Family Enrichment and Counselling Services offers subsidized counselling for adults and youth in need who would otherwise be unable to afford it.

Easter Seals NB provides access to assistive technology, expertise, and specialized mobility equipment to individuals living with hearing, learning, or physical disabilities.

Funds towards the provincial ELF Program ensure that all children that require high impact literacy interventions will receive them.
